TO MILITARY MEN & OTHERS.

S. & H. HARRIS'S MILITARY WATERPROOF POUCH BLACKING.

This Blacking is much used and highly esteemed for cleaning Pouches, Bags, Straps, &c., as it is perfectly Waterproof. Any article after having had a few applications and exposed to the heaviest rains will not be affected so much as even to soil the hands or gloves. The article after being exposed to wet and dirt for many hours, requires only to be sponged or wiped clean, rubbed dry with a soft cloth, and the beauty of the article will be restored without any fresh application of the Blacking, or more than one minute's attention; after five or six applications it will be found that the Blacking will only have to be used occasionally, as a mere rub (daily) with a cloth or old silk handkerchief will renew the polish for some time. This Blacking will be found equally useful for Trunks, or any other black leather article.

Sold by all Saddlers, Grocers, and Oilmen.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but several beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average seven candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

P. RAVENHILL, Major-General, R.E., Chairman of Committee.

BLAND'S RIFLES.

EXPRESS DOUBLE RIFLES.

'360, '400, '450, '500, and '577 Bores.

Price from 20 Guineas.

At the "Forest and Stream" trials of 1885, for testing the trajectory of rifes held at Creedmoor, U.S.A., and carried out by a Government Ordnance Officer, in the presence of a distinguished party of scientific gentlemen, the Bland Express Double Rifle beat all the thirty-one other rifles sent in for competition by the most celebrated rifle makers of America.

TESTIMONIAL.

From Lieut. C. C. Leveson Gower, Schore, Bhopal, India, January 1, 1889:—
"The rifle shoots beautifully, and the Diamond foresight is a great improvement, as in jungle shooting it is always very dark, the jungles about here being very thick, and there is great difficulty in seeing an ordinary black sight. My bag has been sambur, boar and black buck."

"The most perfect sight of the kind we have ever seen."—Invention, Oct. 15. 1887.

"MONOSTRIKER" FOUR-BARRELLED PISTOL

(BLAND'S PATENT),

Expressly made for the Government Cartridge, Cal. . 476.

Price £7 10s.

The chief merit or feature of this new Pistol lies in the method of its percussion action. A single striker instead of four, as in the older models, here suffices to detonate the four barrels consecutively. This "Mose striker" is fixed to a cylinder which, besides carrying round the striker to each barrel in turn, acts as a power ful gas-check. Thus a two-fold advantage is secured—absolute impossibility from accidental or simulaneous discharge; whilst any escape of gas is completely checked from passing into the working parts of the pistol.

TO MILITARY MEN & OTHERS.

S. & H. HARRIS'S MILITARY WATERPROOF POUCH BLACKING.

This Blacking is much used and highly esteemed for cleaning Pouches, Bags, Straps, &c., as it is perfectly Waterproof. Any article after having had a few applications and exposed to the heaviest rains will not be affected so much as even to soil the hands or gloves. The article after being exposed to wet and dirt for many hours, requires only to be sponged or wiped clean, rubbed dry with a soft cloth, and the beauty of the article will be restored without any fresh application of the Blacking, or more than one minute's attention; after five or six applications it will be found that the Blacking will only have to be used occasionally, as a mere rub (daily) with a cloth or old silk handkerchief will renew the polish for some time. This Blacking will be found equally useful for Trunks, or any other black leather article.

Sold by all Saddlers, Grocers, and Oilmen.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but several beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average seven candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Seldier.
